- Marching Competition Season decided to cancel for 2020 in order to students and families safe and healthy, outlook for band class unsure as well
- Will talk with staff and section leaders about staying connected to community and to each other within safeguards of BVSD and County Health Dept. – BVSD does not allow you to play instruments, can have band camp without playing instruments, if football season happens then will have performances at games, also perhaps have performance for parents, talking with staff about work load and paying them when we don't have a marching season, restrictions 25 people in one zone, and no instrument playing
- Goal to have students meet in August
- Reschedule parent meeting from July 9
